Thompson's Beach

‘LA MER’ THOMPSON’S BEACH

~ Boutique Luxury Residences ~

Neilson & Co are proud to introduce our most prestigious new development to date - ‘LA MER’ Thompson’s Beach.

Under construction and anticipated completion of Q3 of 2024, this is something that will remain unrivalled for years to come and be the pinnacle in design, quality and sheer lifestyle for locals to admire - and residents to soak up the inky blue views of Moreton Bay and surrounding islands forever!

From inception, Neilson & Co have worked closely with renowned architects, HAL, and coveted builder AMD Quality Constructions to deliver a vision that has yet to be seen in this location... A new era is born.

Welcome to ‘LA MER’!

‘Where Luxury Meets The Beach’

24 Boat Street, Victoria Point QLD 4165

Northerly Aspect

“Unrivalled Northerly &
Southerly views across
Moreton Bay & Islands”

South Easterly Aspect

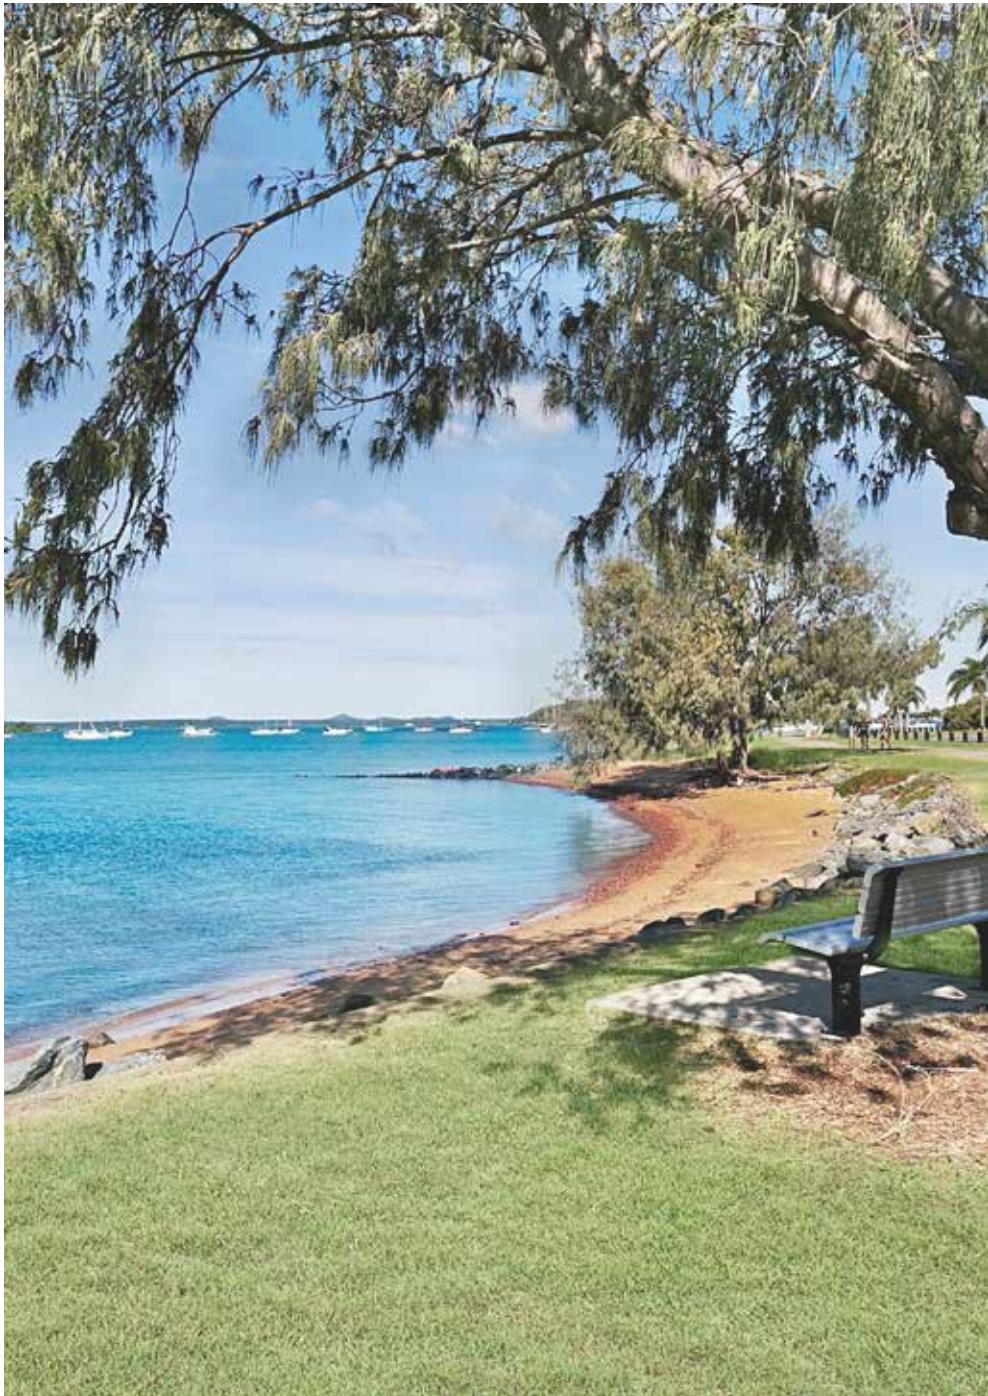

“Each living space is an inviting abode, that amplifies absolute liveability and captures the surrounding vistas. Complimented by focal point kitchens, feature timber accents, luxury stone, textured details and subtle curves - all blend to showcase a very sexy place.”

“Appreciate awe-inspiring design, underpinned by attention to detail & an absolute focus on quality, from inception to completion”

The Development Team

NPG DEVELOPMENTS

The directors of this bespoke project are excited to unveil what is to be the hottest product Thompson's Beach has seen - and may see for years to come. Upon securing one of the last premium sites in this sought after locale, the next steps were to secure one of Brisbane's best architects, and builder to compliment this flagship vision - and both of these boxes were secured. It is with pleasure we introduce you to our latest boutique development - Welcome to 'LA MER'!

ARCHITECT

HAL Architects are a development-based design studio with over 35 years' experience – recognised for the consistent delivery of high-quality, bespoke architectural outcomes throughout South East Queensland and across other parts of Australia. The team at HAL have executed the design at LA MER with the aim to set a new benchmark in Bayside living and deliver a product that will complete with unrivalled presence and absolute liveability.

BUILDER & DEVELOPER
